

Heinrich Böll Stiftung Palestine & Jordan and the Palestinian American Research Center (PARC) invite you to a round table to present the study of "**Gender Empowerment and Treated Wastewater Reuse in Ein Qinia**" by Dr. Marwan Ghanem on Wednesday 12.10.2016 at 11:00 am at hbs meeting room- 5th floor/ Ramallah.

Dr. Marwan did this study in order to improve the empowerment of communities and individuals, particularly women, on the acceptance of wastewater treatment projects and the reuse of treated wastewater. Research was carried out at the Al-Tireh quarter and EinQinyia village in Ramallah about whether or not training women in treated wastewater reuse can increase their awareness and acceptance regarding the reuse of treated wastewater from the Al-Tireh Wastewater Treatment Plant. The results of the study will be presented on Wednesday.

Attached is the draft study.
